

# IGI Life Secure and Sustain Plan

Savings to endure the test of time

A multipurpose savings plan specially designed to help you to make regular, systematic savings, and protect your family from future financial uncertainties. It gives you and your family the much needed comfort and helps you meet your long-term financial objectives.

With life insurance cover, Secure & Sustain gives you the freedom of creating your own investment mix, from the available multiple Investment Strategies, as per your risk appetite.

### Free Look Period

If you cancel your policy within a free look period of 14 days from the date of receipt of the policy documents, you are entitled for a full refund of premium less any expenses incurred by IGI Life in connection with your medical or clinical examinations.

### Who is suitable candidate?

The plan is intended for far sighted individuals who want to secure the future of themselves and their loved ones while at the same time reaping benefits on their hard earned incomes. It is suitable for salaried as well as business oriented individuals falling between the age of 18-65 at the time of purchase while the plan can go up to a maximum of 85 years of age of the insured.

### How much and when to pay?

You can choose the minimum amount of premium or a higher amount depending on your financial capacity that you would make each year (minimum annual premium amount for Secure and Sustain is Rs. 50,000). You can pay the premium on yearly, half-yearly or quarterly basis.

The level of savings and protection you require depending on the goals that you have in mind. The product also provides a host of optional benefits for enhancement of protection.

### Included in the Package

Key Benefits that are embedded in the plan are as follows:

**Life Insurance Benefit:** In the unfortunate event of death, the higher of Account Value or Basic Face Amount (less any partial withdrawals) PLUS Account Value of AVAP (the additional premiums are termed as AVAP which stands for Account Value Acceleration Premiums) payments, if any, is payable.

**Maturity Benefit:** Upon maturity, you will be able to withdraw your account value PLUS account value of AVAP.

**Income Tax Benefit:** By investing in Secure and Sustain: As per FBR rules income tax benefit at the rate of average tax rate on the maximum 20 % of taxable income is applicable by investing in Secure and Sustain subject to maximum of Rs. 2 million per annum.

**Partial Surrender:** Partial Withdrawals can be made from the Account Value after the policy has been in force for at least 5 full years, by redeeming a limited number of units as per the company's terms and conditions. The amount withdrawn is considered a permanent withdrawal and does not have to be repaid. A partial withdrawal will, however, reduce the Account Value and the Basic Face Amount by the amount of partial withdrawal.

**Basic Face Amount:** The Basic Face Amount will be a multiple of Basic Premium depending on your age as follows:

Age	Face Amount Multiple	
	Minimum	Maximum
upto 55	5	30
56 to 60	5	15
60 onwards	5	10

### Additional Benefits and Features that can be availed

**Vitality Benefits and Charges**  
This option can be availed by customer at the time of policy purchase. If the customer opts for the Vitality Program at policy inception, the following will be applicable:-

**a. Vitality Benefits - Weekly Active Rewards**  
On completion (achievement) of the weekly Active Reward goal, the customer will have the option to select an **Easy Tickets** voucher as their reward. The voucher will be for a 50% discount off a cinema ticket booking with Easy Tickets. OR

a **Foodpanda** voucher as their reward. The voucher will be for a Rs. 500 discount off a Foodpanda order at selected restaurants.

**b. Vitality Benefits - Monthly Active Rewards:**  
Your monthly IGI Life Vitality points target represents the amount of physical activity you need to perform each month. Reach your monthly points threshold and earn the applicable cashback percentage on your wearable device.

**c. Vitality Integrated Benefit**  
At every fifth policy anniversary an additional amount (% of premium) will be credited into the account value as Vitality Integrated Benefit, subject to achievement of Silver, Gold or Platinum status. The percentage of the integrated benefit is dependent on the Vitality Status and the Face Amount multiple at the end of each year in the preceding 5-year period. The table below shows the percentages of the Vitality Integrated benefit:

Points	Cashback %
0 - 1,499	0%
1,500 - 1,999	25%
2,000 - 2,999	50%
3,000+	100%

We are offering cashback on wearable devices. You will be eligible for a 100% cashback over a period of 24 months. These devices at the above mentioned discount are only available for IGI Life Vitality customers. You can use your own device; however, it will not be eligible for cashback.

**Level Term Insurance Benefit (LTR):** Level Term Insurance Benefit enhances the benefit payable on insured's death. LTR benefit amount is payable in addition to any other death benefit payable under the basic plan.

**Accidental Death Benefit:** Pays an additional benefit in case of death due to accidental means.

**Income Benefit - Death (IBR-Death):** A monthly income benefit will be paid to the designated beneficiary following the death of the insured up to the end of the elected term of this benefit.

**Income Benefit - Disability (IBR-Disability):** A monthly income benefit will be paid following the permanent and total disability of the insured up to the end of the elected term of this benefit.

Integrated Benefit				
Face Amount Status	Status			
	Bronze	Silver	Gold	Platinum
5 to 10	0.0%	1.25%	2.50%	4.50%
11 to 20	0.0%	2.50%	5.00%	9.00%
21 and higher	0.0%	5.00%	10.00%	18.00%

The Bronze, Silver, Gold and Platinum Statuses refer to the status achieved by a member as a result of achievement of various goals and assessments/questionnaires, as set out under the terms and conditions.

**Vitality Integrated Benefit on Death**  
In case of death of the insured life, the Integrated Benefits accrued till the date of death, and not already credited to the Account Value, will be credited to the Account Value for the computation of the Death Benefit.

**Vitality Integrated Benefit on Disability**  
In case of permanent total disability, the accrued Integrated Benefit will be credited to the Account Value.

**Vitality Integrated Benefit on Surrender**  
In case of full surrender, the Integrated Benefit accrued till the date of surrender, and not already credited to the Account Value, will not be payable.

In case of partial surrender, the Integrated Benefit will not be paid for that 5-year period in which the partial withdrawal was made.

### Miscellaneous Salient Features

The integrated Benefit will not be paid for the 5-year period in which premium payment was skipped. The policyholder needs to pay the due premium in that policy year or in advance in order to avail the Integrated Benefit.

If the policyholder has more than one policy of the Vitality Integrated insurance product, each policy will be eligible to receive the Integrated Benefit at the end of each 5-year period given the set criteria as stated in the terms & conditions of the integrated benefit are met.

The customer can cancel the Vitality membership at any point in time. However, once the Vitality membership is cancelled, customer will have to purchase a Vitality integrated Secure & Sustain policy again.

If a member previously enrolled in the Vitality Active program decides to opt out, the integrated benefits and the deduction of Vitality fee will cease. However, the base unit linked plan will continue as is. Furthermore, the member will only be able to join again by buying a new policy.

Apart from the above mentioned conventional benefits, the plan allows you to choose from a range of supplementary benefits. List of these benefits and their respective description is mentioned below:

**Level Term Insurance Benefit (LTR):** Level Term Insurance Benefit enhances the benefit payable on insured's death. LTR benefit amount is payable in addition to any other death benefit payable under the basic plan.

**Accidental Death Benefit:** Pays an additional benefit in case of death due to accidental means.

**Income Benefit - Death (IBR-Death):** A monthly income benefit will be paid to the designated beneficiary following the death of the insured up to the end of the elected term of this benefit.

**Income Benefit - Disability (IBR-Disability):** A monthly income benefit will be paid following the permanent and total disability of the insured up to the end of the elected term of this benefit.

**Accident Care Benefit (ACB):** This rider pays an additional benefit in case of death, disability or dismemberment of insured due to accidental means.

**Elaj Aasan (EA):** Elaj Aasan benefit amount will be paid if the insured is diagnosed for the first time for one of the covered diseases provided the insured is alive after the expiry of 14 days from the date of surgery or from the date of diagnosis of the disease. If the insured has been diagnosed or has undergone surgery for a disease covered by EA, he/she will qualify to receive the benefit amount and still remain insured under EA for a reduced number of diseases in accordance with the table of First and Subsequent Diagnosis.

**Family Protection Benefit - Disability (FPR-Disability):** Family Protection benefit waives the future premiums in case of permanent and total disability of the policy holder up to the end of rider term.

**Permanent and Total Disability (PTD):** In the event the insured suffers permanent and total disability, the PTD benefit amount is paid in 3 installments of 20%, 30% and 50% over a period of 24 months during the continuance of disability. In case the insured dies before receiving all the installments, the remaining installments are payable in a single lump sum.

**HealthSure:** Provides financial protection in case of illness or accident that leads to hospitalization to cover in-patient hospital expenses to the insured up to the annual limit of PKR 250,000. Insured can also select this rider for his/her spouse.

### Premium Allocation Percentage

Secure and Sustain offers one of the best premium allocations thereby optimizing the returns on your investment. The proportion of Basic Premiums and AVAP allocated to Account Value is as follows:

Policy Year	%Allocation of Premium to Account Value
1	75
2-4	90
5-10	100
11-15	104
16 onwards	105
AVAP	100

### Investment Strategies to choose from

You have the option to choose from the following Investment Strategies to match your risk profile and financial objectives:

**IGI Aggressive Fund:** This strategy seeks to provide long term capital growth mainly through investments in equities. It has higher risk.

**IGI Balanced Fund:** This strategy seeks steady growth in capital through a combination of investments in stocks and government securities and/or other secured investments. It has moderate risk.

**IGI Secure Fund:** Investment is made in government securities i.e. Pakistan Investment Bonds (PIB) and T-Bills. It has lower risk.

Please note that investment risk borne by policyholder and IGI Life has no liability in this regard.

**Extra Unit Allocation**  
The longer you continue the Plan, the higher rewards you will gain in the form of extra unit allocation. The extra unit allocation, starting from policy year 11, is as follows:

Policy Year	Extra Unit Allocation as % of Basic Premium
11 to 15	4%
16 & onwards	5%
